Hunter Valley: Full day

## Hunter Valley wine-tasting

Relax, get away from the city, and enjoy some fabulous food and wine in Australia's oldest wine-growing region. Just 2 hrs north of Sydney, the Hunter Valley combines world-renowned wines < gourmet produce & stunning countryside - all the makings for a great, relaxing day.

With over 90 Cellar Doors in the Hunter, we'll customise a day based on your preferences, or relax and let us design a day to showcase the Hunter for you. We focus on the boutique wineries, where regional variations are even more prominent & the passion of the wine-makers is obvious. With your small, private group we'll gain exclusive access to a range of excellent wineries, meeting the people who make and grow the wine.

At lunchtime, we'll enjoy a gourmet meal at one of the Hunter's best restaurants, accompanied by a glass or two of Hunter wine. A fabulous day out of the Sydney enjoying the delights of fine Australian produce.
