Sydney: Full day

Sydney with the Kids!

If the kids are happy, then Mum & Dad are happy. And Sydney is a place where *all* generations can have a blast!

Begin your day with a ferry ride to Taronga Zoo - the most picturesque in the world. Here it's *access-all-areas* with a Zookeeper-led tour into the enclosures for close-up visits with the Aussie animals. Prepare the food, handle the animals, & ask as many questions as you like.

Next, board your private cruiser for a 2 hour spin on the Harbour. Enjoy lunch onboard as you cruise past the houses of the rich and famous, or bring your towels and stop for a dip in a quiet bay. Hop off your boat and head to Bondi for a surfing lesson at Australia's most famous beach. Surfing not Mum & Dad's thing? Leave the kids to ride the waves while you go behind the scenes at Australia's oldest Surf Lifesaving Club, or do the famous Cliff Walk. Finish the day with ice cream and people-watching at this iconic Sydney beach.

Why not add . . .

Start the day with an early-morning tour of the Sydney Opera House. The Backstage Tour takes you inside the dressing rooms, & includes breakfast in the Green Room.
